

How to Add a Student to an Existing Parent Account

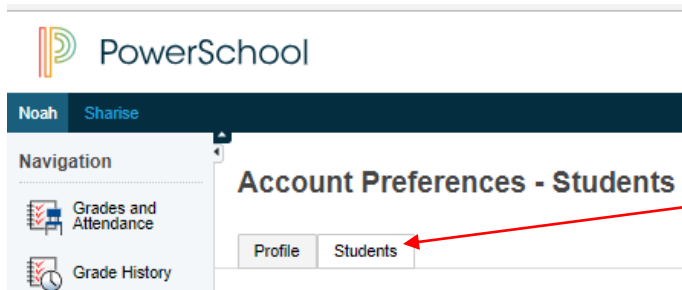

Before you can add an additional student to your existing account, you must have the new student's Access ID and Password. You can obtain this from your student's school.

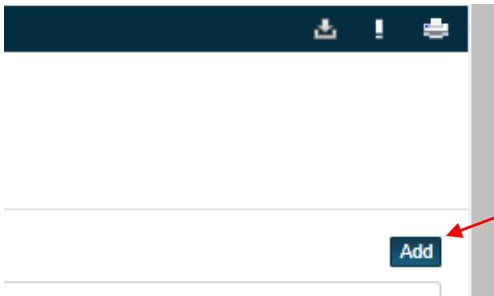

STEP 1.
Log into your Parent PowerSchool account.

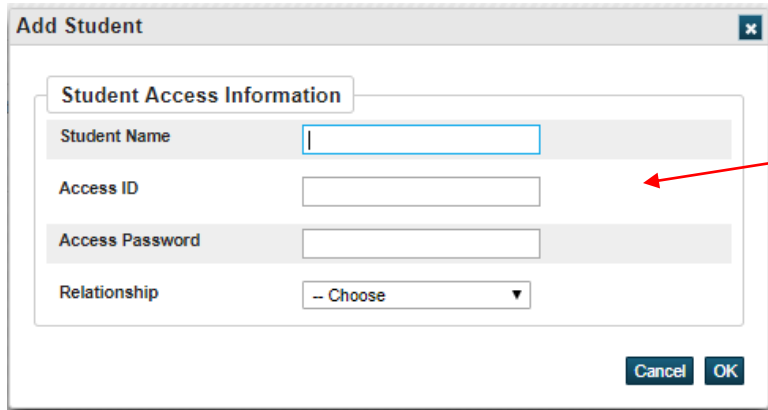

STEP 2.
Select the **Account Preferences** option from the Navigation menu (should be the last option)

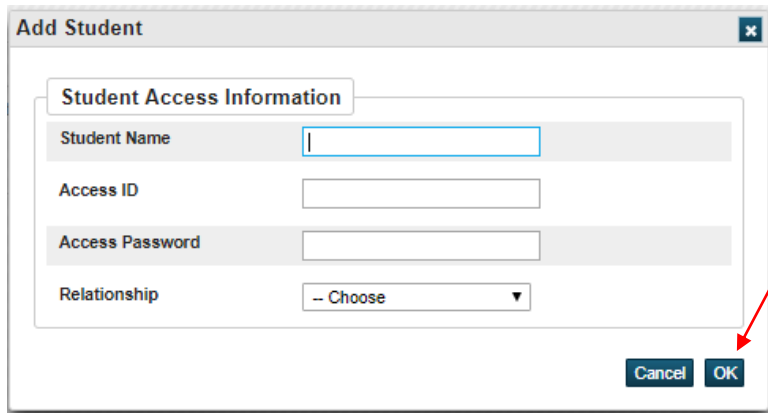

STEP 2.
Click the **Students** tab

STEP 3.
Click the **Add** button on the right hand side.

STEP 4.
Enter **Student Name**, **Access ID** and **password** (*as found on the letter, in the middle of the page, not on the bottom*) and enter your **Relationship** to your child.

STEP 5.
Click **OK**
